

## **PREMISES INSPECTION**

To make progress in behaviour and attitudinal change towards environmental sanitation, education for awareness on hygiene practices was done to improve the knowledge of people in the community.

The officers inspected dwelling houses to ascertain nuisances and call for its abatement, and to make sure that houses for habitation are not contrary to the relevant laws and the building code are observed by occupants.

The Unit inspected 381 premises including dwelling houses and industries.

Nuisances detected include; insanitary drainage and bathhouse, Littering of anal cleansing material on toilet, Human excreta on bare floor, Expose refuse in dust bins or containers and indiscriminate disposal of waste at the back of the house.

### **Sensitization**

They were educated on the following,

- All landlords should provide latrine in their house to curb the situation of indiscriminate defecation
- All the tenants should get dust bins with fitting covers
- Indiscriminate disposal of waste should be stopped.
- To clean and Desilt their gutters to allow free flow of waste water
- Anal cleansing material should be kept in containers to devoid house flies and cockroach from having access to it

### **Action Taken**

- Notice were served of which they complied

### **Challenges**

- Lack of readily available vehicle

### **Recommendation**

Management should assist the unit with car for easy movement to all area councils.
